About HNIMR

HNIMR, is an all-women management institute, established in 1996. It is affiliated to Savitribai Phule Pune University (formerly known as University of Pune) and recognized by AICTE & DTE. It was accredited by National Board of Accreditation for the period 2008-2011. The reaccreditation is in process.

It is committed to quality management education to enable women to occupy authority positions in different areas of work. It strongly believes that when women become decision makers, it will have a positive impact on contribution of women towards economic and social development.

Director's Message

Dear Friends,

Women empowerment is completely based on women's education. Bharat Ratna Maharshi Karve, the great social reformist in the field of women's education started his movement in 1896 with the school for widows; Indeed it was unprecedented step taken by him with a great vision. He devoted his entire life for Women's Education. Maharshi Karve Stree Shikshan Samstha (MKSSS) is spread over in 60 educational and other units including institutions imparting professional education like Cummins Engineering college, Bhanuben Nanavati Architecture college, School of Fashion Technology and Hiraben Nanavati Institute of Management and Research for Women (HNIMR).

HNIMR is flagship of MKSSS.

We live in dynamic age of Globalization. Changing paradigms of business have fueled a new thinking in our management education system. There is a keen need to adopt necessary changes in our conventional view of management education and to train our new generation with capabilities of cross culture professional knowledge which enables them to contribute in the development of our country.

The aim of HNIMR is to develop Professional Women Managers for the overall National Development.

HNIMR has established sound infrastructural facilities and linked the best of the faculty which offer a platform for interaction with the industry executives on contemporary topics of concern. Our mission is to develop HNIMR as a leading Business School on world map.

I wish you all the best for your future endeavors.

Dr. Jagdish N. Pol
Director

Infrastructure

Our college is with its modern infrastructure and sprawling verdant green campus area provides a secure environment for the physical and mental growth of the student.

LIBRARY

The ocean of knowledge and information consists of books (20834), References, National and International Journal, Magazine, E-Journals (J-Gate & EBSCO), CD's, project reports and many more study materials, new reading room, Wi-Fi enabled library, Air-conditioned, Internet facility, etc. HNIMR is also with National Digital library of India. The staff is always ready to help the students with quick references.

Classrooms

It has been designed to propel an inquiry-based learning that fosters liberation of mind, thereby creating an eagerness to learn. Our simple classroom teaching is aided with projector, video facilities for presentations and discussions etc.

Activity room

It is a spacious Air-conditioned & internet enabled room wherein the students can relax & work on their projects.

Cafeteria

"What you eat is what you are!"

"Proper care is taken to ensure hygiene and quality in terms of food and cooking/ serving area cleanliness. College is having a spacious canteen where tasty foods are available at affordable rates.

Infrastructure

Office

The Administrative Office operates between 10.00A.M and 6.00P.M Help the students and meet their requirements.

Computer lab

The College has an exclusive air-conditioned computer room for students. Equipped with an impressive number of computer machines. Lab computer platforms include Windows, and Approximately 150 PCs with virtual desktop access, Printers.

Auditorium

A well furnished & air-conditioned auditorium with state of the art audio, video facilities and seating capacity of 180 students. Students utilize the auditorium facilities during the induction ceremony, Guest Lectures, Convocation Program and Cultural Function, Seminars, Workshops etc.

Faculty room

The Faculty Room is a space for faculty and administrators to learn about how to create classroom environments and academic activities that maximize the learning of all students.

Sports

Tennis, Volleyball, Gymnasium, Cricket and Basketball facilities available on campus.

Placement Cell

The term 'Placement' identifies the process by which educational institutions help their students finding job opportunities according to their course and expertise. However the external functions focus on generating leads, visiting of companies, going through verification and finally inviting companies to campus for selection. The group provides support to students in their Training & Placement by full-fledged Training activities like Soft skills & Domain Knowledge.

Mrs. Dolly Pandey
Training & Placement Officer

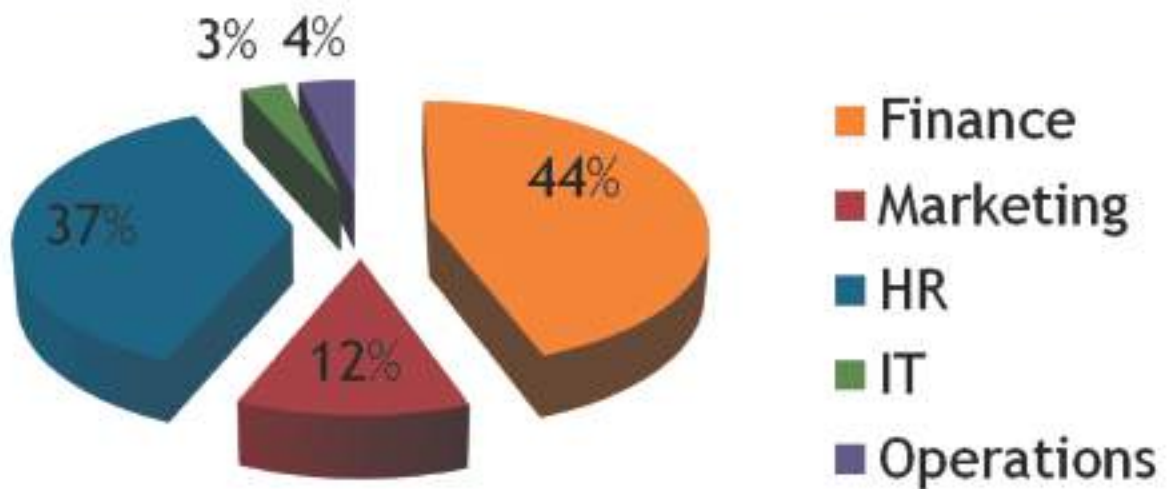

Some of the focused activities are:

- # The Placement Team identifies the potential recruiters, interacts with selected companies and coordinates the visit with such corporate executives for Placement perspective.
- # Calling the corporates for Guests Lectures to share their valuable expertise & the corporate culture.
- # There are constant Job Fairs, Pool Campus, Campus Placements, Internships/Projects, Hi-Tea sessions and HR meets to constantly keep in touch with the corporates.
- # To prepare the students to demonstrate uncompromising commitment towards quality, value & excellence.
- # To groom the students and make them aware of the current needs and global developments.
- # To create a team of confident young managers who can see & do the things differently.
- # To maintain good liaison with the industry and attract prospective employers for Campus Recruitment Program.

Maharshi Karve was a pioneer in the field of women's education. He established the Hingne Stree Shikshan Samstha' in 1896 (later renamed as 'Maharshi Karve Stree Shikshan Samstha') to empower women through education. The highest civilian award 'Bharat Ratna' was conferred upon him for his contribution towards the field of Women's education. Maharshi Karve knew that women have the inherent power within them. The samstha continues to go ahead with conviction that education can create self - awareness among women and make them confident. Only then can they play an effective role in the nation - building. The Samstha runs schools, teachers training institutes, hostels for students and working women, production units, technical and vocational training institutes etc. These branches strive to develop women into truly performing citizens. The girl students here have a sound knowledge base. They have an opportunity to carve a glorious career and excel in the chosen field of activity.
