

**Workshop on Personality Development**

On 27<sup>th</sup> February 2016, MKSSS's Hiraben Nanavati Institute of Management and research for women conducted workshop for Post graduate students on " Personality Development ' as a part of the Student Welfare Scheme of Savitribai Phule Pune University.

Self-confidence and improved personality can causes a great success in student's life So main objectives of this workshop is to bring awareness in management students about their personality development. This workshop was taken by Miss Nivedita Ketkar who is free-lancer Trainer for personality development. She has given guidance on email etiquettes, Personality development, interview skills, How to increase knowledge, Soft skills, and clothing sense were also discussed by her. Total 104 students from MBA I year and other students of colleges like Siddhivinayak and Shahu college have attended this workshop.

Students were really enlightened by this workshop.
